DATA EXCHANGE WITH BARGE CENTER WAALHAVEN VIA PORTBASE

You are a customer or user of Barge Center Waalhaven (BCW) and also user of the Port Community System, managed by Portbase B.V. Electronic data exchange between you and the Terminal Management System (TMS) of Barge Center Waalhaven (BCW) will take place through the Port Community System.

It is for this reason that BCW requests you, by signing this form, to accept the applicability of the VRTO and FENEX conditions incl. arbitration clauses, below mentioned. The VRTO- en FENEX conditions were handed to you together with this form. By signing this form, you will have confirmed the receipt and acceptance of both delivery conditions (VRTO + FENEX).

With this form you request BCW to enable your company to give advance notice of the most used import documents via the Port Community System. By doing so, the data integrity is guaranteed and error free which will improve the service to your customer.

The following import documents can be transmitted:
- MRN (510-series)
- IAE (Placing goods under the customs warehousing procedure (IIAA)
- IAI (Releasing goods for free circulation (IIAA)
- IM4

This application form must be signed by someone who is authorized (a director or authorized representative) to represent the applying company (hereinafter referred as: 'the applicant'). By signing this application form, the authorized representative of the company declares (also) on behalf of the applicant to be aware of this application and to agree to it.
